PERFORMANCE THAT FUELS THE BOTTOM LINE

Driving Accountability and Savings

What is Onboard Advisor™?

Onboard Advisor helps businesses with fleets save money, increase productivity and improve safety by providing a convenient way to monitor and manage fleet operations. Our key difference is direct, measurable savings. Managers will receive fuel, safety and insurance discounts from the moment they install the solution.

Top 5 Reasons to Choose Onboard Advisor

1. Fuel Savings

Onboard Advisor improves fuel efficiency by continually measuring driving efficiency throughout the day and delivering custom recommendations on how to improve.*

2. Increased Productivity

With real-time vehicle tracking, fleet managers can easily locate vehicles to improve routing and dispatching, allowing them to respond to an urgent request.

3. Safer Drivers

Onboard Advisor encourages safer driving with daily driver reports that address risky behavior. Safer driving typically results in reduced vehicle accidents and lower maintenance costs.

4. Insurance Discounts

Onboard Advisor customers can receive up to 40% in safe driving discounts when they buy a commercial auto policy from Golden Eagle Insurance[™].**

5. Peace of Mind

Onboard Advisor lets business owners and fleet managers rest a little easier, knowing they are working to increase fleet safety, improve productivity and maximize their cost savings.
